

Handloading Supplies and Ammo Order

CPF&G Club will soon be placing the annual ammo and handloading supplies order.

You will need to do your own research regarding part or SKU numbers, package sizes, and other pertinent details. Prices on items are **not known ahead of time**, but in general will be competitive with any price you can get locally.

Due to panic buying and extensive shortages, many components and ammunition calibers are not currently available, or are ridiculously priced; i.e. 9x19mm ammo, most primers, and some powders are nowhere to be found, and commonly used pistol ammo is very expensive. Once we receive your order, you will be advised as to whether or not the items you want are available.

Please note: if you order something you are obligated to take it.

The Club has an account with the supplier and pays the bill. When the order arrives, we collect your payment, plus 5% for the club.

Your payment must be by **check only**, made out to "CPF&G Club".

Be SPECIFIC! (preferably with a UPC number)

Be sure to include all pertinent information including exact quantity

(Note that "three boxes", "one case", "two bags", etc. are **not** exact quantities.)
