The items on the list are what I have found that I can get as of this time. If there is something else you want, tell me and I will see if I can get it. It may be that when I place the order some items mayt become unavailable, but I cannot control that. The same is true about the prices. The price on the sheet has a small increase from what the supplier lists – 5% or less. This is to cover shipping costs and possible hazardous shipping costs. This is important – these prices may change once the order is completed but I don't expect major changes. If you order something, please understand you cannot cancel it after I initiate the order. I will stop taking orders on November 3. I would much prefer to get your request by email as opposed to by phone. I will place some of the order sheets at the trap range and the indoor pistol range also. You can mark it up and scan and email it or give it to me. I am usually at the trap range on weekends. Eventual payment should be made by check made out to “CPFG” Jim Graczyk jamesfgraczyk@gmail.com 603 489 3436
