## 2010 Membership Renewals Due by 31 December 2009

ALL memberships must be renewed before the end of the calendar year in order to avoid a \$50 initiation fee if renewing after that.

2010 Membership Renewal Forms can be found in this newsletter, in the main hall, in the downstairs hall, and by the indoor range sign in book.

Please complete the renewal form and sign it. Be sure to fill out the entire form legibly, as this is used to update phone, address, and email data. If requesting the newsletter via email, please make sure to print the email address clearly.

For a Family Membership, please complete and sign a separate form for each partner.

Life, Honorary, and Permanent members must also fill out renewal forms each year to renew their memberships and ensure that their correct information is on file.

Military Members must apply each year for a discounted Military Membership. A copy of your military ID, including expiration date is required.

Failure to completely fill out and sign forms may cause a delay in issuing 2010 membership cards.

Dues are the same as last year: \$125.00 for a Regular Membership and \$187.50 for a Family Membership (married couples).

It's each person's responsibility to take care of their own membership. CPF&G does not send out bills for renewals.

We're urging everyone who can, to get the Newsletter via email. It saves the club quite a bit of money and it gets the newsletter to you a lot sooner.

— Sharon Theobald

## Winter Trap Tournament

The Country Pond Fish & Game Club 2010 Winter Handicap Tournament will be held starting on Sunday, 3 January 2010, at noon, after regular Trap Shooting. The tournament will last for ten weeks, unless weather causes a postponement of one or more weeks. There will be no session on 7 February, as all Club ranges are closed to accommodate a Granite State Bowhunters Tournament. The Banquet & Fun Shoot will be on 21 March.

Each participant will shoot 50 targets each week from the following yardages.

3 Jan - 20 yards	10 Jan - 21 yards
17 Jan - 22 yards	24 Jan - 23 yards
31 Jan - 24 yards	14 Feb - 25 yards
21 Feb - 26 yards	28 Feb - 26 yards
7 Mar - 27 yards	14 Mar - 27 yards

If any week is missed by a shooter, the 50 birds may be made up the following week at the longer yardage.

The cost to participate will be \$15.00 per week, with \$6.00 going to the Club for targets and \$4.00 toward prizes and the awards banquet. The remaining \$5.00 will go for weekly prizes for blind draw partners, paying two places, divided 60% for first place and 40% for second place.

## President-Elect's Message

Since this is my first 'President's Message', I think I ought to introduce myself and let you know a bit about me.

I have two grown kids and two charming granddaughters. I'm a Mechanical Designer by trade and a Website Designer by choice. I'm also an artist working in wood (when I have the time). I've been shooting since 1955, and handloading since 1969. I'm currently running the 22 Plate Shoots here at Country Pond and I'm also the CAS (Cowboy Action Shooting) Marshal, running that with the help of my Deputy, Wild Bill Blackerby (who you may know as Dan George). Everyone in CAS has an 'alias' and mine is "Piney Woods", which is what I usually answer to, as there seem to be an awful lot of 'Johns' around.

It looks like we're going to have a very 'hands on' Board this year, and I expect us to get quite a bit done at the club, but we can't do it all. (Hint, hint.)

There are four 'Work Party' days held throughout the year — in May, June, September, and October — and a lot of work gets done on those days, but only if we have enough volunteers. There are also 'Indoor Work Parties' on Monday evenings thru the winter months where anyone and everyone is welcome to put in a couple of hours. We can also use help at our various Club events and activities.

None of these work sessions are mandatory, but volunteer workers get things done while helping to reduce the need for dues increases, to pay outsiders to do the work for us.

As far as activities go, there are plenty of fun things to do as well. Starting in January with the annual Ice Fishing Derby and the Chowder Fest, followed by the Chili Cookoff in February, the Game Dinner in March, and the Spaghetti Dinner in April. There are the Indoor and Outdoor Pin Shoots, the Archery League, the Winter Trap League, the Centerfire Pistol League, Cowboy Action Shooting matches, the informal Rifle League, the Rimfire Pistol League, 22 Plate Shoots, and Trap Shooting. There's something for everyone — year 'round.

In this newsletter, on the club's website, and posted around the Club are contact lists of who to get in touch with for any questions you may have about any activities. The monthly calendar, posted around the Club and distributed with the monthly newsletter, is a primary source of upcoming events and activities.

I want to thank everyone who participated in the election process and also to welcome all of our new members to Country Pond Fish & Game Club. It's a great place and the members are a great bunch of people.

— John "Piney Woods" Carr

## Newsletters by Email and/or the Internet

Many CPF&G Club members receive their newsletters via email. This is the best way to receive up to date and timely information, and to save the club money, time, and effort. The electronic version of the Newsletter is usually sent out two or three days after the monthly General Meeting, but the hardcopy version may be mailed as much as a week later. Another plus for the electronic version is that it's in color, it's much easier to read, and the website and email links are 'live'.

If you'd like to be added to the email list, or if you've already signed up but you're not receiving your newsletter, contact the editor, Piney Woods, at [piney@pineywoodsplace.com](mailto:piney@pineywoodsplace.com).

You can also access the Newsletter in the Members Only section of the Club's website.

Simply go to <http://www.countrypondfishandgameclub.com> and click on the "Members Only" tab.

Enter the indoor range door code (with asterisk) that's printed on your membership card and you'll be able to read not only the current month's newsletter, but previous issues as well.

## Political Concerns

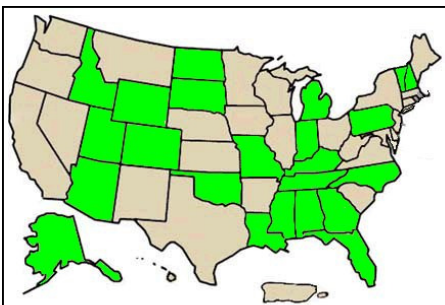

### FEDERAL

The Obama administration has reversed the official position of the US regarding the UN Small Arms Treaty. Previous administrations were opposed to this treaty, because it would place authority over all small arms transfers in the hands of the United Nations, trumping the United States Constitution's guarantees under the 2nd Amendment. Ultimately, the UN's Small Arms Treaty is designed to register, ban, and confiscate firearms owned by private citizens. The only place to stop this treasonous usurpation of American's rights is during the ratification process in the US Senate.

We could fill an entire newsletter with other unconstitutional measures being considered by the pols in Washington DC. We'd suggest you go to the "Gun Rights Organizations" websites listed elsewhere in this issue.

### NEW HAMPSHIRE

H-2196-R - To prohibit the open carrying of a firearm in a public building. This will be heard by the [House Criminal Justice and Public Safety Committee](http://www.gencourt.state.nh.us/house/committees/committeedetails.aspx?code=H26). You can reach them via <http://www.gencourt.state.nh.us/house/committees/committeedetails.aspx?code=H26>

A resident New Hampshire "Pistol/Revolver License" is valid in all of these states.

### MASSACHUSETTS

There are currently over 60 firearm related bills thaty have been filed in the Commonwealth - some good, most bad. The GOAL website <http://www.goal.org/> is the place to find information on these issues.
