Paper Targets

Last month's column about "Paper Targets Only" caused quite a stir among those shooters who like to plink at clay birds placed on the berms.

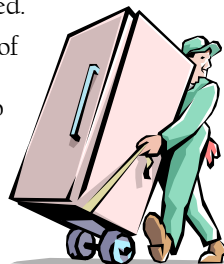

To clarify: the Chief Range Officer has no problem with that practice, as long as the clays are placed no higher than the bottom 1/3 of the berm and are placed directly on the berm, not out in front of it.

Thanks!

The old refrigerator in the upstairs kitchen recently died.

Mark Scanlan, one of our new members, was kind enough to donate a replacement for it to the Club.

Thanks Mark!

GSG-5 SD Owners!

The following notice is posted on the ATI Website at <http://www.americantactical.us/>

To all retail customers:

On January 2010 American Tactical Imports Inc received official notification from the Bureau of Alcohol, Tobacco, Firearms, and Explosives that the original barrel shroud (aka: fake suppressor) supplied with your GSG 5 SD model must be replaced. *It has been determined that this shroud is regulated under the National Firearms Act.* American Tactical will provide a replacement shroud at no charge for each GSG 5 SD model sold or currently in inventory.

Consumers in possession of a GSG 5 SD model with the original shroud in place on the firearm are now in violation of the NFA. To avoid continued violation of the NFA, ATI asks that all persons in possession obtain a replacement shroud as soon as possible. We anticipate arrival of the new shrouds to begin by the middle of February 2010.

IMPORTANT: The original SD model shroud must be returned accompanied by the firearm serial number before a replacement shroud is issued. The diameter of the SD shroud is 1-9/16". Do not return the smaller carbine shroud.

WHAT TO DO:

If possible return your old shroud to the dealer where purchased and show him this notice. The shroud will be returned to ATI along with a list of serial numbers from the guns that the shrouds were removed. ATI will send replacements to the dealer for pick up at your convenience; ATI will be sending replacements as fast as logistics allow. If your dealer is out of business or difficult to reach, or you purchased your gun used, from a consumer, return the shroud directly by US mail or UPS to:

American Tactical Imports Inc.
100 Airpark Dr, Rochester, NY 14624

PLEASE TRY NOT TO CALL US. We will provide comprehensive information on our web site www.americantactical.us, and www.ar15.com or by e-mail to atiexchange@americantactical.us

Remember, include the firearm serial number with each shroud or a replacement will not be issued.

This action IS NOT being instituted through any fault and is strictly due to NFA compliance. American Tactical will assume the responsibility to satisfy the requirements in an effort to minimize the impact on our customers and protect your investment.

We at American Tactical Imports Inc. sincerely apologize for any inconvenience caused by this unfortunate situation.

Sincerely,
Anthony DiChario
President, CEO

Political Concerns

by John Faro - Political Junkie

NH House Bill 1635 - This legislation would outlaw the possession of firearms in state or town buildings, including state-operated rest areas, the university system/community college system of NH, the State House complex, etc. Enactment of HB 1635 would create victim zones by disarming potential crime victims. Moreover, because posting of prohibited premises would be optional, a person could enter into a prohibited property or place unknowingly and become a felon for life. The House Criminal Justice and Public Safety Committee will consider this bill. (Source: NRA/ILA)

Ed Note: The House voted this bill as Inexpedient to Legislate on 17 March by a vote of 256-33.

The US House of Representatives passed HR 3326, the Department of Defense Appropriations Act of 2010. There is a rider attached to this bill to protect M-1 carbines, M-1 Garands, M-

14s, .22 caliber rifles, and others from being destroyed. The language also included a prohibition on the destruction of small arms ammunition and components, passed in response to the short-lived concern over destruction of spent brass casings. A small win for the shooting community but an important one in my opinion. (Source: NRA)

The US Supreme Court agreed to hear the landmark Second Amendment case of McDonald v. Chicago. The case will address the application of the Second Amendment to the states through either the Due Process clause or the Privileges or Immunities clause of the Fourteenth Amendment. This case would guarantee the application of the Second Amendment through out the fifty states and US possessions as adjudicated by the Supreme Court.

Ed Note: The US Supreme Court heard arguments on this bill on 2 March 2010.

Right to Carry?

The map below shows where you can legally carry a concealed firearm if you have any New Hampshire License to Carry (green states), where you can legally carry only if you have a resident NH LTC (yellow states), and where you can't at all (gray states).

NH honors resident licenses from AK, AL, AZ, CO, FL, GA, ID, IN, KY, LA, MI, MO, MS, NC, ND, OK, PA, TN, UT, and WY, but no non-resident licenses.

This map shows the same data if you have a Massachusetts Class A License.

Massachusetts doesn't honor any other states' licenses at all.

2010 Ice Fishing Derby

By John Faro

We had a very successful derby this year, with 178 registered fishermen and their families.

Prizes awarded were: Largest Pickerel at 2lbs 13oz and 22.5 inches - Spike Fortin; Largest Yellow Perch at 8oz and 11.5 inches - Nick Cooper; Largest White Perch at 12oz and 12.5 inches - Jason Guelf; and Largest Mystery Fish (catfish) at 14oz and 14 inches - Ray Allen.

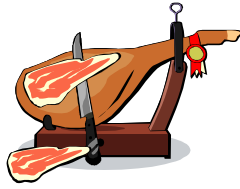

Thanks to all the volunteers who donated their time and talents to make this a successful event for your club: Mike Sorenson, Scott Thornbury, Bev Faro, John Faro, John Cull, Tom Moran, Bill Doherty, Jeff Theobald, Sharon Theobald, John DeYoung, John DeYoung Jr., Walter Riley and Wendy Menard.

I hope I listed everyone. If I missed you, your efforts are appreciated. I'm old and I get to make mistakes.

Game Dinner 2010 Produces Palate Pleasing Plates

by John Cull

On Sunday, March 7th, our members and neighbors filled the Clubhouse hall for the Annual Game Dinner.

Both fishermen and hunters shared their bounty with us to provide an excellent feast of game harvested from the oceans, fields, and forests. Our chefs met on Saturday to create a diverse range of delicious dishes from the variety of donated game. From clams to haddock, goose to pheasant, bear to elk, and many creatures in between, over two dozen different menu items were enjoyed by more than 130 members and guests, who sampled savory selections and enjoyed the hospitality of our Club.

We were proud to continue our annual tradition of providing this dinner, free of charge, to our members and the residents of the town of Newton. The success of this event was made possible through the efforts of many folks, some of whom are not even Club members. Everyone involved in the production of our Game Dinner shares a commitment to responsible wildlife management. Thanks to all who brought side dishes and desserts to complement the main course and made generous donations to help defray the cost of this event.

Thanks to those "In The Field": Wayne 'Cap' Holt, Billy Koski, John Owens, John Deyoung, Karl Skinner, John Faro, Robert Hunt, Ken Black, Mike Gentile, Norm Clark, Harold Hutchins, David Noyes, and Steve Kiarsis. And to those

"Back at the Ranch": Al Bergeron, Mike Sorenson, Jeff & Sharon Theobald, John Cull, Chris Gordon, Bill Doherty, Tom Moran, Paul Bolduc, Barbara Black, Scott Thornbury, Kevin and Nellie Poeltl, Martha Magee, Chris Cook, Wendy Menard, John Faro, Walter Riley, and Marge.

We hope we haven't missed anyone deserving credit for helping to make this year's Game Dinner such a celebrated and satiating event which reflects the values and traditions we have at CPF&G.

We hope that all of our hunters and fishermen will be blessed with good fortune this coming year and we will have another hearty Game Dinner. We look forward to seeing you all next year.

Chili Cook-Off

by Sharon Theobald

The 2010 Chili Cook Off was a great success. We had 13 contestants with different chilis and over 80 people attending the event.

We would like to thank Mike Sorenson for yet again providing "The Best Chili in Town" as the house chili, and thanks to Jeff Theobald for wiring everything up to keep all of the pots piping hot.

This year's contestants were Glenn Steele, Joan Demarco, Laura Charron, Kegan Spencer, Rene Spencer, Jeff Spencer, Wendy Menard, Chris Cook, Kim Potts, Dick Chavers, Craig Walker, Jasmine Berecz, John Owens, and Steve Magee. All the contestants donated their chilis. Without them we couldn't have this event. Thank you all!

Congratulations to the winners. Chris Cook took Third Place, Dick Chavers came in Second, and the First Place winner was Kegan Spencer.

Thanks to Tom Moran and Steve Sousa for selling the admission tickets.

Many people help to make these events successful and we thank everyone who took the time to come and enjoy the event as well as helping out.

Cowboy Action Shooting Returns to CPF&G

by Piney Woods

Howdy!

Cowboy Action Shooting (CAS) is all about dressin' up like folks did in the Old West and shootin' guns that were commonly used back then.

Targets are steel plates, and they're big and close, so expert marksmanship ain't necessary. We set targets so that every shooter, regardless of experience, can hit every single target. It's how quickly you hit 'em that makes the difference.

Our matches are pretty easy going. We don't try to compete so much as have a good time. Being safe and havin' fun are the two rules that we strictly enforce.

As far as dressin' up, we're not all that formal about it, but dressin' up is half the fun! All you really need is pair of jeans, a long-sleeved shirt, and boots. The only things that we really insist on are: no baseball-style caps, sneakers, short sleeve shirts, nylon or web gear, or Velcro. They just didn't have any of that stuff in the 1800s.

We use firearms that were available prior to 1899 - originals or replicas. You'll need two single-action six-guns, a lever-action rifle (in pistol caliber only), and a side-by-side double-barrel or exposed hammer pump shotgun.

Don't worry if you don't have the right guns, most of the regular shooters are willin' to lend firearms and ammo to new shooters, just so they can get the hang of it. That's how I got started in this. I didn't have any of the right gear, but one of the old cowhands loaned me a complete setup and I was hooked! A lot of us bring extra guns and ammo in case someone shows up and wants to try this game on for size.

To shoot a match at CPF&G, you'll need about 60 rounds each of pistol and rifle ammo, and 25 shotshells. Both rifle and pistol ammo must be pistol caliber (.45 Colt, .44 Special, 38 Special, etc.) lead bullets only - no jacketed or rifle caliber ammo allowed - and all ammo should be mild field or target loads. All shotshells must be size 7 1/2 or smaller lead shot.

Our matches are divided into six "Stages". Each stage is a different course of fire, and has a "Scenario" to go with it. The scenario is a short storyline that explains why each stage is set up the way it is. A typical scenario might start out with "You're in the saloon when in walk two hombres with fire in their eyes..."

We shoot three stages, break for lunch,

then shoot three more. The stages and scenarios are different for each match and they're posted in advance on the Club website. Results are posted in the same place.

This year we'll host six CAS matches at CPF&G, with our first one on April 18th. Our remaining matches for 2010 will be held in May (our famous "All Ladies Shoot Free" Mother's Day Match), June, August, September, and October. Registration is from 10:30 to 11:45, followed by a mandatory safety meeting. The shootin' starts at High Noon, and we're usually done by 4:30. The cost is \$5.00 for CPF&G Club Members, \$10.00 for non-members, and Juniors (under 16) always shoot for free.

Our matches at CPF&G are a great way to experience what CAS is all about. Once you've tried it you'll be hooked! The folks are friendly and, no matter what your skill level, you're welcome to come join us! For a taste of what it's like, you can find photos and results from our past matches on the CPF&G website or at wildbillblackerby.com.

Come on down and be an Old West cowboy or cowgirl for the day. You'll have a ball.

Newsletters by Email and/or the Internet

Many CPF&G Club members receive their newsletters via email. This is the best way to receive up to date and timely information, and to save the club money, time, and effort. The electronic version of the Newsletter is usually sent out two or three days after the monthly General Meeting, but the hardcopy version may be mailed as much as a week later. Another plus for the electronic version is that it's in color, it's much easier to read, and the website and email links are 'live'.

If you'd like to be added to the email list, or if you've already signed up but you're not receiving your newsletter, contact the editor, Piney Woods, at piney@pineywoodsplace.com.

You can also access the Newsletter in the Members Only section of the Club's website.

Simply go to <http://www.countrypondfishandgameclub.com> and click on the "Members Only" tab.

Enter the indoor range door code (with asterisk) that's printed on your membership card and you'll be able to read not only the current month's newsletter, but previous issues as well.
