Legislative Firearms Orientation Day

by John Faro

On Monday May 10, 2010, GONH held the annual LFO Day, hosted by Sunset Mountain Fish and Game Club in Canterbury, NH.

There were over 75 attendees, including 30 legislators, their families, and guests. The goal was to inform and educate New Hampshire elected officials about the vast variety of firearms and their many uses, both sporting and self defense, and to dispel the many myths the media broadcasts as facts, lacking even a cursory investigation, which makes many wonder what ever happened to journalistic integrity.

Shooting disciplines represented were Cowboy Action, Pistol & Revolver, Service Rifle, Long Range Precision Rifle, Shotgun, Hunting Rifle, Thompson Semi-Automatic, Rimfire Rifle, Black Powder, and African Hunting Rifles. There were demonstrations of full auto 50 caliber, 30 caliber and M16 rifle.

Any experienced shooter would be amazed at how much time was spent explaining the difference between automatic and semiautomatic firearms, proving what many shooters already know; that the misinformed must be educated to the truth about firearms or we are going to lose the battle for our 2nd Amendment rights.

Newsletters by Email and/or the Internet

Many CPF&G Club members receive their newsletters via email. This is the best way to receive up to date and timely information, and to save the club money, time, and effort. The electronic version of the Newsletter is usually sent out two or three days after the monthly General Meeting, but the hardcopy version may be mailed as much as a week later. Another plus for the electronic version is that it's in color, it's much easier to read, and the website and email links are 'live'.

If you'd like to be added to the email list, or if you've already signed up but you're not receiving your newsletter, contact the editor, Piney Woods, at piney@pineywoodsplace.com.

You can also access the Newsletter in the Members Only section of the Club's website.

Simply go to <http://www.countrypondfishandgameclub.com> and click on the "Members Only" tab.

Enter the indoor range door code (with asterisk) that's printed on your membership card and you'll be able to read not only the current month's newsletter, but previous issues as well.
