In additional member news, one of our long time members, Al Bergeron, has been voted into the ranks of CPF&G Club Permanent Members. Al has been a key factor in the success of many past Club events, particularly the Annual Game Dinners.

"Make no mistake about it; Gun control laws increase the power of government and the criminal element over the average citizen, and serve no other purpose. The Branch Davidians hadn't assaulted anyone. They lived peacefully in the community. Except for the federal gun laws, they would all still be alive."

-- The New American, Vol 9, No 12, 14 Jun 1993

Members who order guns themselves, to be delivered to the Club, must require the sender to include an invoice or other form describing the firearms' make, model, caliber, serial number, and name of sender. Newsletters via the Internet

Trtigger Times is posted on the CPF&G Club website at <http://www.countrypondfishandgameclub.com/newscals.html>

This is the best way to receive up to date and timely information, and to save the club money, time, and effort. The electronic version of the Newsletter is usually posted two or three days after the monthly General Meeting, but the hardcopy version may be mailed as much as a week later. Not only is the current issue of the newsletter posted, but previous issues are available as well.

Another plus for the electronic version is that it's in color, it's much easier to read, and the website and email links are 'live'.

If you're still receiving your newsletter via the US Mail, contact the editor, Piney Woods, at piney@pineywoodsplace.com to get your name off the snail mail list and into the 21st century.
