Newsletters via the Internet

Trigger Times is posted on the CPF&G Club website at <http://www.countrypondfishandgameclub.com/newscals.html>

This is the best way to receive up to date and timely information, and to save the club money, time, and effort. The website is updated daily (Well... usually it's daily. Sometimes we miss a couple of days.) The electronic version of the Newsletter is usually posted two or three days after the monthly General Meeting, but the hardcopy version may be mailed as much as a week later. Not only is the current issue of the newsletter posted, but previous issues are available as well.

Another plus for the electronic version is that it's in color, it's much easier to read, and the website and email links are 'live'.

If you're still receiving your newsletter via the US Mail, contact the editor, Piney Woods, at piney@pineywoodsplace.com to get your name off the snail mail list and into the 21st century.

Trigger Times is distributed monthly to all members of Country Pond Fish & Game Club, Inc, 82 Pond St, Newton, NH 03858.

Comments, questions, and suggestions should be submitted to: piney@pineywoodsplace.com
