## You just might be a GUN NUT, if...

- ... you've ever bought ammo in a caliber that none of your guns fire.
- ... whenever you can't decide which gun to get, you get both.
- ... you have an extra room in your house just for ammo and guns.
- ... you get your wife or girlfriend to wear Hoppe's 9 instead of her usual perfume.
- ... you ever actually planned your own 'Gun Buy Back' program.
- ... you can field strip any firearm you own, blindfolded.
- ... you've ever bought a gun to shoot up some ammo someone gave you, because you didn't have a gun in that caliber yet. Ditto when someone gives you a set of reloading dies in some obscure caliber.
- ... you have ever bought a gun identical to TWO you already own, because the first two are out-of-production NIB and you can't bring yourself to shoot them.
- ... any time a weather person on TV gives the latest update on the hurricane du jour, you wonder if you have enough ammo.
- ... you regularly find guns around the house and in far corners of the safe that you have no memory of buying.
- ... you go to WalMart for back-to-school supplies, then must explain to your wife why that includes 1,000 rounds of 9mm Winchester white box.
- ... when the local gun shop needs an obscure magazine, they call you.
- ... when you say "Damn! That's a sexy looking piece!", your wife knows you're not looking at another woman.
- ... you have ever carried more than two guns at once.
- ... you have more holsters than Mariah Carey has shoes.
- ... you reach into your pocket for change at the local 7-11 and pull out loose ammo along with your change.
- ... you felt a knot in your stomach when they showed US Soldiers destroying a cache of brand new AK-74s on the news.
- ... you find more .22LR rounds than loose change when you clean out your car.
- ... you have a poster of Burt Gummer holding an 8 bore rifle. ("Guess you broke into the wrong God damn rec room, didn't ya!").
- ... you build a portable reloading system so you can reload in the family room and not miss your favorite TV show.
- ... your home page is set to a firearms related webpage.
- ... you read this entire list.

## BSA Shotgun Shoot

by John Faro

The boys and adults of Boy Scout Troop 409 of Salem, NH visited Country Pond Fish & Game Club on 11 August. There were five boys and as many adults participating. They had a great time on our Trap Range and learned a few things about shotgunning.

My thanks to Clyde Hanshaw, Ken Shultz and Bill Doherty for their very able assistance with the shoot. I'm sure the Scouts will be back for more instruction and fun in the shooting sports.
