## Newsletters via the Internet

Trigger Times is posted on the CPF&G Club website at <http://www.countrypondfishandgameclub.com/news.html>

This is the best way to receive up to date and timely information, and to save the club money, time, and effort. The website is updated daily (Well... usually it's daily. Sometimes we miss a couple of days.) The electronic version of the Newsletter is usually posted two or three days after the monthly General Meeting, but the hardcopy version may be mailed as much as a week later. Not only is the current issue of the newsletter posted, but previous issues are available as well.

Another plus for the electronic version is that it's in color, it's much easier to read, and the website and email links are 'live'.

If you're still receiving your newsletter via the US Mail, contact the editor at [piney@pineywoodsplace.com](mailto:piney@pineywoodsplace.com) to get your name off the snail mail list and into the 21st century.

There is no rain date; if it rains the event will be cancelled. This event is a "Thank you" from the officers and directors of GONH to the members of GONH.

Some of the scheduled activities are: IDPA, full auto shooting, Cowboy shoot, cannon demonstration, "Appleseed" kids shoot, and big bore shooting.

Admission is free charge for GONH members, Pelham F & G members, and children 12 and under. For everyone else the charge is only \$5.00.

Activities inside the club house will include: face painting and balloons for kids, NRA/Eddie Eagle, GO-NH merchandise, "Round-Up" new activist recruiting, information & education resources such as Know Your Rights, Know the Law, and Know Your Legislators. There will also be raffles, a silent auction and exhibits from firearm manufacturers.

Without exception, all persons entering the property will be required to sign a liability waiver. Wristbands will be issued and worn for all events. All personal carry guns must remain holstered at all times, except when on the firing line.

Food and beverages will be available at the club house provided by a local Boy Scout Troop.

Come join us for a day of family fun and excitement. Spend some time with people who are just as concerned about firearms rights and our future as a free people as you are.

If you'd like to volunteer to be Line Coach for the shooting events, please contact John Faro at 603-382-1070 or 603-770-7498. If you're not a member of GONH you'll get admission and lunch on us for helping out.

# Politics & Legislation

by John Faro, Political Junkie

U.S. Senator Jerry Moran (R-KS) has introduced legislation that would stop the Obama administration from using the United Nations to eliminate our gun rights. S.2205, the Second Amendment Sovereignty Act of 2012, will cut off taxpayer funding for the United Nations Arms Trade Treaty, which is now being negotiated to restrict the Second Amendment rights of American citizens.

In a reversal of long-standing policy, Secretary of State Hillary Rodham Clinton has announced that the United States will support and participate in negotiating this UN Arms Trade Treaty, which will be finalized this year.

This treaty would regulate the domestic manufacture, possession, and purchase of civilian firearms and ammunition, in direct conflict with the rights of American citizens under the Second Amendment.

The bill provides that no funds may be spent to help negotiate a United Nations Arms Trade Treaty, or to restrict in any way the rights of United States citizens under the Second Amendment to the Constitution of the United States, or to otherwise regulate domestic manufacture, assembly, possession, use, transfer, or purchase of firearms, ammunition, or related items – including small arms, light weapons, or related materials.

We all know Barack Obama has done everything he can to destroy our Second Amendment rights, but what is so pernicious about this treaty is its cowardly, backdoor attempt to impose massive restrictions on America's gun rights without signaling their intentions. This is why negotiations are being held behind closed doors, so no one can know with certainty, all the gun control proposals in the treaty, until it's too late to react.

Passage of the Moran bill is critical because S.2205 will prevent Hillary Clinton and Barack Obama from succeeding in their efforts to negotiate away our gun rights.

## Letters to the Editor

Hello,

My name is Shaun Bowen, I am the director of the **Sportsmen and Firearms Coalition for NHGOP Victory** for the 2012 election season.

I just wanted to contact you and introduce myself as well as to pass along my contact info for any of your club's members who might be interested in getting involved in the 2012 elections.

There are many great pro-gun candidates running on the Republican ticket this election season and we need all the help we can get to make sure the rights of gun owners in New Hampshire are protected.

Feel free to contact me with any questions or suggestions.

## Writers Wanted

Interested in writing for the Trigger Times? We're always looking for talented individuals who have something to share.

We can use articles on shooting, hunting, handloading, archery, fishing, and most other outdoor related articles - skydiving, croquet, waterskiing, and soccer being some notable exceptions.

We will only accept electronic documents in Microsoft Word, Works, WordPerfect, or plain text format. Anything on paper creates more work than it's worth.

If you have a working knowledge of English, can string a couple of coherent sentences together, and would like to see some of your work published, contact Piney, the Trigger Times editor, at [piney@pineywoodsplace.com](mailto:piney@pineywoodsplace.com).

# Your Right to Defend Yourself?

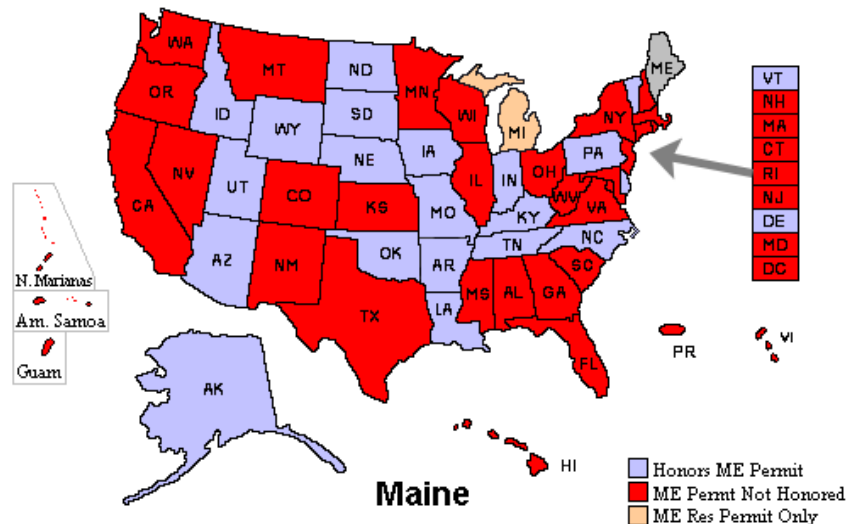

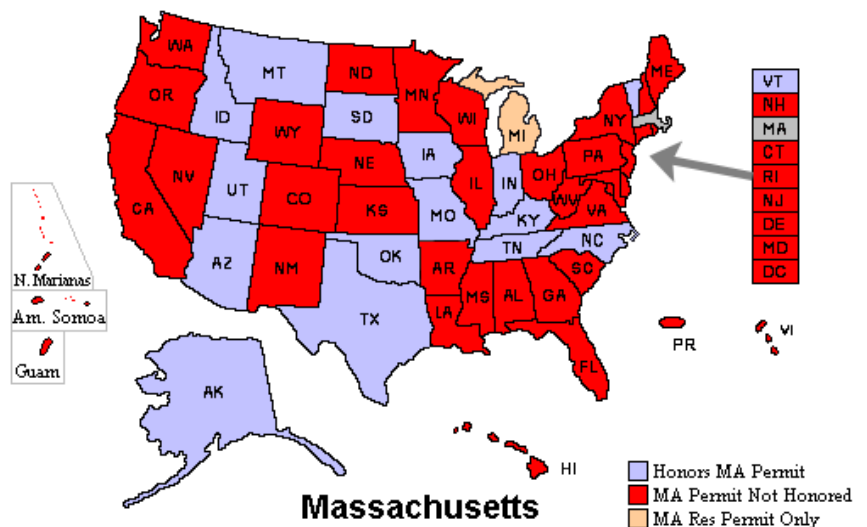

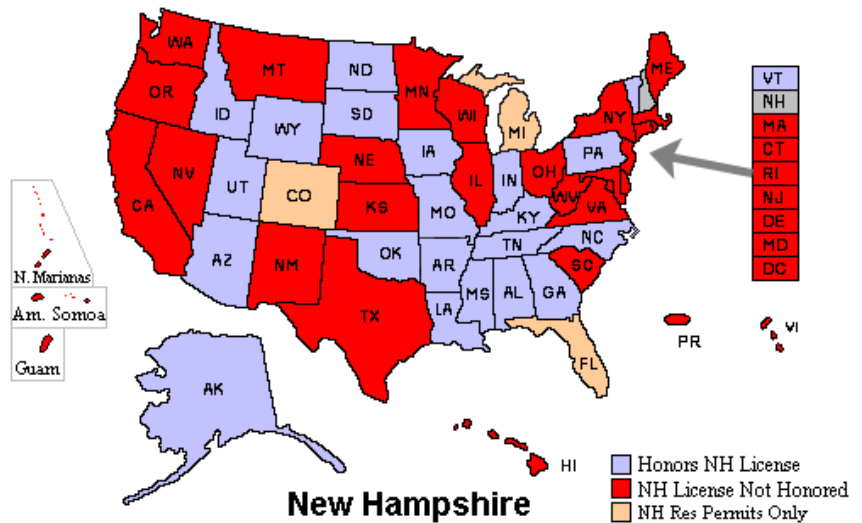

These maps show where you can legally carry a concealed firearm if you have a New Hampshire, Massachusetts, or Maine License to Carry a Concealed Weapon.

New Hampshire honors Resident Licenses from Alabama, Alaska, Arizona, Arkansas, Colorado, Florida, Georgia, Idaho, Indiana, Iowa, Kentucky, Louisiana, Michigan, Missouri, Mississippi, North Carolina, North Dakota, Oklahoma, Pennsylvania, Tennessee, Utah, and Wyoming. New Hampshire does not honor Non-Resident Permits or Licenses. You must be a resident of the state they honor for your permit to be valid in New Hampshire.

Massachusetts doesn't honor any other states' licenses at all.

Like New Hampshire, Maine only honors Resident Licenses or Permits, and only from Arkansas, Delaware, Louisiana, Michigan, North Dakota, Pennsylvania, South Dakota, and Wyoming.
