Secretary Report- Reviewed details from May meeting and June field day.

Treasurer Report-

No new money in or out this month.

VP Report-

No new members added.

Working on a sign-up sheet.

President's Report-

Membership cards available

License testing continues

Ham license boot camp at Nashua club is very popular way to study for your FCC test

There is a seacoast 2M net on Sunday nights

Planning to invite Jim from Sanborn HS who wants to set up a station

Sign-ups for future CPARG net on Derry repeater:

August- Andrew

September- Tom C

October- Dave C

November- anyone?

December- Chris

New Business

Bill Pellerin, KC1EOU, spoke about the NH ARES and the Emergency Operations Center. They practice on the first Thursday of the month. They test communications with roughly 20 towns on both state radios and 2M simplex (147.465). This is run as an emergency net operation. Each station reports status such as wind conditions, etc. See ARRL ARES website to join.

Next meetings:

Next meeting is Monday, 25 August.

Bill, AC1UA, will speak about antenna software for amateur radio.

No December 29th meeting.

Motion and Meeting Adjourned at approx 7:44 PM
